## A big thank you to all our sponsors!

We would like to say thanks to all of our sponsors. You make this life saving and educational program available to our community. Our sponsors are listed below and will be updated quarterly.

### Cad-Re feeds

Ed & Lilia Ann Krohn

Gamas Designs

Twin Cities Veterinary clinic

Gloria Hoey

## What have we been up too?

We have been extremely busy this past month getting our program back up and rolling along. We have been training hard on our trailing and getting our public events set up.

We will be at Lowes in Kenai for Safety Days September 8<sup>th</sup> from 10:30-12:30.

We will be at Cad-Re feeds on October 2<sup>nd</sup> from 10:30- 2:30 for their open house. Please come and join us as there will be a lot going on. There will be door prizes, a Raffle, meet and greets with Ares, and Ares will be doing 2 tracking demonstrations for the kids.

We are in the process of scheduling our Lost in The Woods program. We will keep a current list of where they are once they are scheduled.

---

## School program started

This year Ares was asked to participate in the student government program at KCHS. We have a student that will be helping Ares with his fundraising, public programs, and trailing. This program incorporates helping others and that is why Ares exists.

---

## What has your donation money been used for?

We have purchased a GPS, Ares baseball cards, Ares bookmarks, and our website.

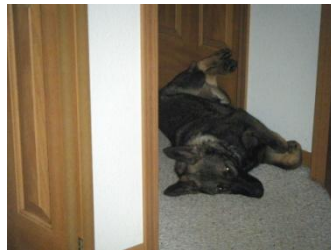

We purchased a very easy to use GPS for recording our trails. We then transfer them to our map and print them out. This shows us how close Ares is to the helpers trail.

Ares bookmarks and baseball cards are great for the kids, and it is a great advertisement tool for our sponsors.

We are trying to collect more donations for Ares avalanche class this winter. Our goal is to get Ares his avalanche certification so we can help our community in a new way.

---

## Questions and answers

We will be posting a few questions and answers in our upcoming newsletters. Ares always is getting a bunch of questions from the kids. We are also adding a question and answer page to our website.
