Cad-Re Feed

Ed & LiLa Ann Krohn

Wellpet

Twin Cities Veterinary clinic

Soldotna Rotary

Gamas Designs

Gloria Hoey

Marry Jane Hanley

Explorer post 999

Animal Supply

Canine Caviar

Science Diet

Alaska Mill and Feed

And all anonymous donors

What have we been up too?

We have been extremely busy this past year getting Ares ready to test for his "Cadaver", HRD certification. We have been training hard on trailing, Avalanche, and HRD. We are getting our school program "Lost in the Woods", ready for the 2012-2013 school year as well as getting other public events set up.

We will be at Cad-Re feeds on October 20th from 10:30- 2:30 for their open house. Please come and join us as there will be a lot going on. There will be door prizes, a drawing, meet and greets with Ares, and Ares will be doing 2 tracking demonstrations for the kids.

We are in the process of scheduling our Lost in The Woods program. We will keep a current list on our website of where they are once they are scheduled.

School program continues

Ares will be participating in the student government program at KCHS again this year!

We have a student that will be helping Ares with his fundraising, public programs, trailing, Avalanche, and HRD. This program incorporates helping others and that is why Ares exists.

Ares passes his HRD testing!

Ares is certified to do HRD in buildings, vehicles, and wilderness venues. Each venue was tested separately for 4 days. That means the K-9 team did 12 days of testing to achieve the multi venue certification. The testing was double blind and has a statistical outcome so it can be defended in court if needed.

WellPet is sponsoring Ares food this year!

We feed Ares :

We are very thankful for their willingness to help support Ares. High quality dog food is the foundation for any working dog.

Here is a link to their website: <http://www.wellpet.com/index.aspx>

What has your donation money been used for?

We have purchased Ares baseball cards, Ares bookmarks, paid for training classes, equipment for Ares, and our website.

Ares bookmarks and baseball cards are great for the kids, and it is a great advertisement tool for our sponsors.

We are trying to collect more donations for Ares Water HRD class next spring. Our goal is to get Ares his water HRD certification so we can help our community in a new way.

Donations

If you are interested in donating to Ares we have a donation collection can at Cad-Re feeds in Soldotna or you can donate directly to K-9 Ares account at any Wells Fargo bank.

Questions and answers

We encourage you to please send us any questions that you have about our program. We have a section on our website for questions or you can email them directly to Ares at: gsd@aresk-9.com
